Lower zone : 26 bottles

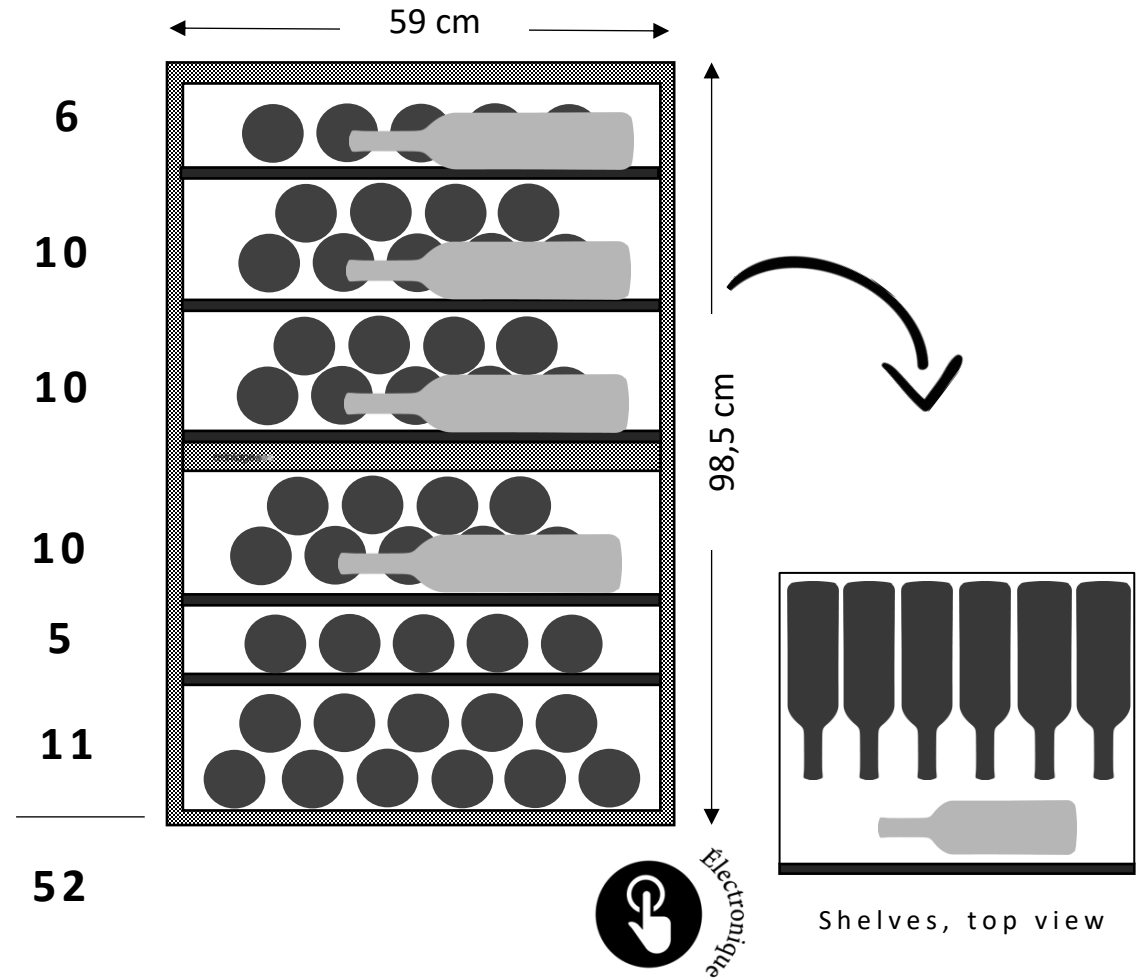

Shelves

5 wooden shelves with telescopic rails

Net dimensions

WxDxH (cm)

59 x 56,5 x 98,5

The stated capacity is measured according to the EN62552 standard. This standard is based on 75cl Bordeaux-style bottles. Any other bottle format, as well as the addition of shelves, will significantly reduce the storage capacity. The maximum capacity is calculated with a specific number of shelves, which varies depending on the model.
